If you cease to be eligible due to termination of employment, your Dental coverage ceases on the date your employment terminates.

claims

Dental claims are processed by:

Pacific Blue Cross PO Box 7000 Vancouver, BC V6B 4E1 (phone 604-419-2000 or 1-877-722-2583)
--

PBC Member Profile: You can obtain on-line information on your Dental claims, or obtain a Dental claim form, through PBC's Member Profile website at: service.pac.bluecross.ca/member.

If you or your dependents require dental services, visit the dentist of your choice and take your Pacific Blue Cross ID card. Discuss the services that will be provided, the cost of those services, and any amounts that you will be required to pay.

When your dentist has completed the treatment, payment may be obtained by either of the following methods:

1. Your dentist can submit a claim to Pacific Blue Cross on your behalf for amounts up to the levels specified in your Dental benefit. Pacific Blue Cross will then pay accepted claims directly to your dentist. If the services are covered at a level below 100%, you must pay the balance to your dentist, or
2. You can pay the dentist and then submit your own claim to Pacific Blue Cross up to the levels specified in your Dental benefit. Pacific Blue Cross will then send a cheque to your home address or via direct deposit if you have selected that option. For information on how to submit your own claim, contact Pacific Blue Cross.

You can submit monthly orthodontic claims electronically through PBC's Member Profile website at: service.pac.bluecross.ca/member. Keep the original receipts for your records.

Claims must be received by Pacific Blue Cross within 12 months of the date of treatment.

Co-ordination of claims: If you are eligible for coverage under more than one plan, Pacific Blue Cross will co-ordinate the benefits, subject to the maximums set out in the Pacific Blue Cross Dental Fee Schedule No. 2, so that the total payments will not exceed the expenses actually incurred.

Treatment outside of BC: If you require dental care elsewhere in Canada and you obtain services from a qualified dentist, you will be reimbursed based on the dental fee schedule in effect in the province where the services were provided. Where services are obtained outside of Canada from a qualified dentist, you will be reimbursed up to the amount that would have been paid had the services been provided in BC. To obtain payment, obtain an itemized statement from the dentist and submit it to Pacific Blue Cross.

Change of dentist: If you find it necessary to change your dentist after you have commenced dental work, advise Pacific Blue Cross and both dentists. Claims will be paid by Pacific Blue Cross where there has been no duplication of services.

The pharmacist or provider will be able to determine, at the time you purchase your prescription or eligible expense, the amount that your Extended Health benefit will cover. The Extended Health benefit will reimburse this amount directly to the pharmacy or provider, and you will only pay your portion. For pharmacies that are not on-line or that are outside of BC, you must pay for the prescriptions, collect the receipts and submit them to Pacific Blue Cross on-line through PBC's Member Profile or manually.

On-line claims: You can submit claims for prescription drugs, vision care and the services of physiotherapists, massage therapists, etc. electronically through PBC's Member Profile. If you have coverage under two different drug plans you must submit receipts on-line through PBC Member Profile or manually, unless both drug plans are provided through Pacific Blue Cross. Keep the original receipts for your records **for 12 months from date of service**.

Manual claims: If you require an item or service which is covered under this Extended Health benefit, visit the supplier of your choice and discuss the cost. Pay the supplier and obtain a receipt. The receipt should identify the date, item/service purchased, name and address of the supplier, price paid, quantity (where applicable) and the name of the person receiving the item/service (i.e. you or your dependent). Then obtain a Pacific Blue Cross Extended Health Care Claim Form from PBC's Member Profile. Complete your claim by carefully following the instructions on the claim form. Send your completed claim form and original receipts to Pacific Blue Cross at the address shown on the form. Keep a copy of the receipts for your records, as Pacific Blue Cross will not return the originals.

Claim payments: When your claim has been processed, Pacific Blue Cross will send a cheque to your home address, or via direct deposit if you have selected that option. You may wish to save the "Explanation of Benefits" that accompanies the claim payment, for income tax purposes.

Claim filing deadline: Claims must be received by Pacific Blue Cross no later than June 30th of the following year. Example: If you purchased an Eligible Expense on December 1, 2017, your claim must have been received by PBC no later than June 30, 2018.

Co-ordination of claims: If you are eligible for coverage under more than one plan, Pacific Blue Cross will co-ordinate the benefits so that the total payments will not exceed the expenses actually incurred.

Out-of-country medical expenses: Send your claim directly to Pacific Blue Cross instead of to MSP. Claims must be submitted to Pacific Blue Cross within 60 days of the date the expenses were incurred.

Here are some things you can do to manage your benefits:

- Discuss your benefits with your family.
- Ensure all your eligible dependents, including newborns, are enrolled in Dental and Extended Health within 60 days of the date they become eligible. To check your dependents' coverage, refer to service.pac.bluecross.ca/member. If any dependents are missing, contact your employer.
- If your spouse obtains dental coverage through his/her work, check with your employer to make sure you are still eligible for Dental coverage under your group benefit plan.
- During the year, save your receipts for expenses covered under the Extended Health benefit. Send your Extended Health claims to Pacific Blue Cross periodically. Claims must be received by Pacific Blue Cross no later than June 30th of the following year.
- Remind your dependents to take your Pacific Blue Cross ID card to the pharmacy in order to access the pay-direct claims process.
